Motoring Committee presents

MOTORING DINNER

AN EVENING WITH DAVID DYER

Friday 28 March, 6PM

Two-course alternate at \$85 per person

Our guest speaker is David Dyer from the Modern Classic Cars Foundation. David's vision to ensure the future of classic and specialist vehicles through training and education. We have come about in an effort to address the current skills shortages in the automotive industry and will be offering fee free skills training to apprentices across various trades and areas such as motor mechanics, paint/panel, trimming, engine machining with a focus on specialist and heritage vehicles.

Don't miss this unique opportunity to enjoy an elegant evening while gaining an insight into David's vision for the Modern Classic Cars Foundation, and next generation of classic car preservation and restoration.
